

POAC National Sponsorship Opportunities

Thank you for your interest in supporting the National Pony of the Americas Club. The POAC is an equine organization that focuses on the family, whether it is in the show ring, on the trails, at the family farm, in a breeding operation, or just a family pet. This past year, the National POAC held about 300 approved POA shows across the country with almost 2000 national POAC members. The POAC is a strong and growing equine organization! We would appreciate your consideration. Your support allows our POAC youth to receive annual scholarship monies, and our show participants can continue to earn awards in POAC Approved Shows, National Classic Events, the Open Show Affidavit Program, Medallion Program our International Sale and Futurities annually, just to mention a few! Thanks again for your consideration and we hope to see you at one of our POAC events!
