If you choose to arrive earlier to attend the POA National Board of Directors Meeting which will be Sunday, September 28th and Monday, September 29th at 8:00am CST each day, you will be required to pay a \$50/day/stall early arrival fee for each stall reserved with your sale & futurity entries including all tack stalls. Please be aware that the NEC has another horse show going on the weekend of our Board Meeting, so if you arrive early, you will be placed in temporary stalling until your assigned stalls are ready for move in Monday at noon. You must notify the POAC by phone or e-mail if you plan to arrive earlier than Monday, September 29th at noon so we can have temporary stalls available for you.

- Grazing in the Barns – The ever popular “Grazing in the Barns”, sponsored by the International Sale Committee, will be Thursday, October 2nd at 7:00pm. Plan now to participate in this fun social event...what a great way to show your “for sale” POAs at your stalls to potential buyers and also share some great snacks with fellow POA friends!

You will need to bring the pony’s original registration papers, a signed transfer, the health and coggins papers, and then complete a Futurity Sale Consignment Form at the office.
