

2018 International Breed Promotion Sale

Gordyville USA - Gifford, Illinois – September 29, 2018

MUST BE POSTMARKED ON OR BEFORE JULY 18, 2018

Please read and complete both pages. If additional forms are needed, contact the National Office or use a photocopy.

Any consigned POA that does not go through the sale ring may be assessed a \$1,000 penalty, subject to an appeal to the International Sale Committee.

1. Only registered POAs owned by active POAC members in good standing will be accepted by the Screening Committee. No substitutes will be accepted. Ponies sell according to catalog numbers. Each POA is the responsibility of the consignor until the auctioneer pronounces it sold. At that time, responsibility will shift to the buyer unless the owner immediately announces, "NO SALE"

2. A picture of each POA consigned to the sale must accompany the consignment form. Please send good, non-retouched pictures taken during the current year. Consignment forms that are not accompanied by pictures, or that are accompanied by poor pictures, will not be accepted. A brief owner's statement (100 words or less) also must accompany the form. The Screening Committee must rely heavily on this statement, on the pictures, and pedigrees of each consignment. The final screening will be made at the sale. Please bring quality POAs that are within the height limit, have good POA color and are well groomed and fit. Ponies should be in show condition.

3. The Screening Committee has the power to screen and select the best POAs, keeping in mind a balance in terms of age and sex. The committee will also consider color, breeding, show records, and the height limit. At the same time, it will try to accommodate as many consignors as possible.

4. Send a good quality photograph (with a contrasting background) along with the consignment form. If the photo is of a Reference Sire, also send a Reference Sire statement.

5. No pony will be started for less than \$200.00. If no bid is received, all fees are forfeited and the seller must NO SELL the pony. If the pony later sells on the grounds, the NO SALE fee will be applied to the commission. Commission will be charged on lease purchases made as a result of the consignment to sale.

Ponies that are not consigned to the Gifford, IL International Sale or Futurity, cannot be stabled or brought onto the grounds without

prior arrangements. Contact Jessica Drish Kata at 563-940-8116 to make prior arrangements. The owner of any pony that is on the grounds, whether or not

it is consigned to the sale, will be required to pay the Sales Commission if a purchase results from a pony being on the grounds.

6. Each lot that is consigned with your consignment form must be accompanied by the pony's registration certificate, a breeding certificate (if the pony is a bred mare), a signed transfer form, a brief owner's statement (100 words or less), a brand-inspection report, and a photograph of the pony. Also include a Reference Sire Statement if you are listing a Reference Sire. If your entry is not selected by the Screening Committee, all materials will be returned to you.

7. Bring separate health papers (these should include temperature reading and the result of a negative Coggins Test taken within the last six months) for each pony brought to the sale and deliver the papers to the Inspection committee.

8. ALL PONIES WHICH ARE CONSIGNED AND ACCEPTED MUST BE OFFERED FOR SALE IN THE AUCTION RING! You must provide a good halter and lead rope for each pony that is sold. Consignors of ponies sold at the sale will be paid beginning at 2 p.m.

9. Ponies must conform to the requirements listed in the current Official POA Handbook. Mature ponies under 46" or over 56" may be screened out.

10. The seller will pay transfer fee at the time of settlement.

11. A "NO SALE" must be made clear between the seller and the auctioneer before the pony leaves the ring. This is the seller's responsibility.

12. If a pony accepted for the sale is sold before arriving at the sale, the consignor must pay a 10% commission. This practice is discouraged, however, because this is a catalog sale, with a limited number of entries. If you consign a POA, bring it to the sale.

13. All papers on each pony must be up-to-date including stallion to gelding and tentative to permanent status, or a minimum rush fee of \$35 will be billed to your account in addition to regular processing fees for each pony.

14. Consignments close July 18. Entries must reach the National Office postmarked on or before that date. Consignment fee must accompany the consignment form.

15. Any POA tracing to the AQHA sire Impressive must verify HYPP status prior to sale.

16. Catalog ad rates are as follows: \$100 for full page, \$60 for half page, \$35 for quarter page and \$25 for business card size. Contact the National POAC for more information. Ads due by August 2, 2015. No "pony for sale" ads, except those consigned to the sale.

17. All weanlings/yearlings consigned are eligible to enter the Incentive classes. Write YES or NO in the box provided on the consignment form. By writing yes, owner agrees to pay 2% of the selling price into the 2019 IF class. The pony may not sell in the barn for less than the highest last bid in the Sale ring. By marking the box, it WILL NOT make your yearling eligible for the 2019 class. You MUST (no exceptions) also complete the 2-Year-Old Incentive Fund form and mail it in with the completed consignment form..

18. Transit stalls are \$100 pre-paid and are available in a separate area from all sale and futurity stalls. ALL TRANSIT HORSES MUST USE THEIR ASSIGNED TRANSIT STALLS. No transit horses will be allowed to be sold during their time on the grounds, and they are not permitted to be ridden or lunged with the POAs in any of the indoor rings on the grounds. All transit horses must present current health and coggins papers before being stalled. Owners of all transit horses must provide the name of the responsible party caring for the horse while on the grounds, as well as the name of the purchaser and hauler.

I hereby consign the listed animal(s) to the sale. In consideration for being allowed to offer my POA(s) for sale, I hereby agree to release officers and members from responsibility for any and all damages and injury that may occur to me, my family, or my animal(s) at the fairgrounds. All cataloged ponies present at the sale must go through the sale ring. I understand that if I NO SALE my POA(s), I will still be responsible for paying the passout fee. I further agree to pay the 10% commission on the purchase price of any pony I sell at the sale (whether it is sold privately on the grounds or publicly through the auction). I understand that the order in which ponies are to be sold will be determined by the Sale Committee. I agree to abide by all of the terms and conditions listed above. I understand that the inspection that the committee will make during measuring is merely a courtesy and that it is not intended to determine soundness. I understand that the responsibility for soundness is determined by the buyer and seller. Should a prospective buyer request that a licensed veterinarian perform a complete examination (at the buyer's expense), I agree that I will present my pony for this examination. The owners of animals which are not in the sale or entered in the Futurity cannot stable those animals at the National Equestrian Center without making prior arrangements. NO Exceptions.

By signing these consignment forms, I agree to abide by the sale rules and regulations set by the POAC, Inc.
