

Tracy Dowd-Filla, WA *North West Region Area I*

Hi my name is Tracy Dowd-Filla. I have been involved with horses and ponies since I was 8 years old. I have shown many breeds locally and at at National Level. I was also involed with rodeo for 10 years in my 20's and 30's. My daughter Kylee and I fell in love with the POA breed 7 years ago when we leased PJ, a bay leopard pony. We soon started started showing and gaming her. She was spunky but just the right size and speed for Kylee. We started looking for a step up pony for her that I could

train and show while she was still riding PJ. One year later we had a barn full of ponies and kids and 3 ponies of our own. We have traveled to many shows and have made two successful trips to Congress. We enjoy promoting the breed and showing off our POA's to everyone we meet. We have found there isn't anything oir ponies cant do! I would be proud to represent the Northwest as our National Director.
